

Beyond Baby Steps: AI Literacy Fundamentals for Effective Schoolwide Integration

January 14, 2025

About the Speaker

Mike Kentz

Mike Kentz is an award-winning educator with over 14 years of experience across journalism and teaching. He is a TEDx Speaker and his work in AI in Education has been featured in EdSurge, Edutopia, The Wall Street Journal, Canadian National Radio, and more. His workshops have been formulated as a product of direct classroom experience in 2023-24, when he developed a ground-breaking approach to teaching with AI in the classroom that has since been accepted for presentation at multiple national and regional education conferences.

He is a graduate of Georgetown University (B.A. American Studies), Relay Graduate School of Education (M.A.T.), and Wilkes University (M.A. Creative Writing) and lives in Savannah, Georgia with his wife, dog, and cat.
