Meet Dr Bravo

Dr. Bravo is a dynamic, personable, sought-after health expert with a unique clinical career focused on school health. She is an experienced Medical Director, school physician, Director of Health Services, consultant and public speaker with a knack for relating to a wide range of audiences, including school leadership, students and parents. A respected leader herself, with experience in school administration and governance, Dr. Bravo is often regarded for her expertise, high energy, compassionate manner and holistic approach to health and wellness. One to seek creativity and lean toward entrepreneurship and innovation in school health, she is currently consulting for and guiding schools and businesses nationwide to address pandemic preparedness.
