**Students and parents
join CONNECTdmv
for an afternoon
of fun, food, and
empowerment.**

CONNECTdmv's "Be You" Empowerment Summit is a robust personal development experience that inspires, connects, and affirms students of color at independent schools. The summit ignites confidence by teaching the skills to thrive and believe in your ability to be successful; provides tips and techniques for dealing with uncomfortable situations and offers strategies for focusing on your dreams and purpose. Workshops are also available for parents and you are encouraged to participate in the summit to create a partnership with your child.

WORKSHOP SESSIONS

(facilitated by DMV Independent School Diversity Practitioners)
